 Rajapalayam, Tamil Nadu - 626117, India

PROFILE

Adaptable and goal-driven professional with a strong foundation in software development and design. Skilled in building responsive, user-friendly applications and solving real-world problems efficiently. An excellent team player with strong communication and collaboration skills.

EXPERIENCE

Zoho Corporation
Software Developer Intern

Jan 2025- Present
Tenkasi

Successfully completed 6 months of intensive hands-on training in Java, MySQL, and Web Technologies at Zoho, and currently engaged in developing a Full Stack Web Application project to apply and enhance real-world development skills.

Femtosoft Technologies Private Limited,
Angular Developer Intern

September 2024
offline

- Played a key role in supporting ongoing projects, ensuring smooth workflow and timely deliverables.
- Developed multiple responsive web pages tailored to courier-related business needs.

PROJECTS

Student - Internship Tracking System

 **KalviTrack**

Tools: React.js, SpringBoot, MySQL

August 2025

- Currently developing a full-stack web application to streamline student performance and internship tracking across multiple roles including Admin, HR, Faculty, Mentor, and Students.
- Building RESTful APIs using Spring Boot and integrating React.js for a dynamic, responsive front-end interface.
- Implementing secure authentication and authorization with JWT and Spring Security, along with real-time notifications, data visualization dashboards (Chart.js), and document handling via Google Drive API.

console Applications

Tools : Java, MySql

June 2025

- Developed console-based applications — Theatre Booking, Bus Tracking, and Library Management Systems — using Java and MySQL for real-world simulation and data handling and package structure MVP pattern followed .
- Focused on user interaction, validation, and workflow automation, improving logical thinking and backend development skills.

EDUCATION

Renganayagi Varatharaj College of Engineering
B. E. Computer Science and Engineering
CGPA: 8.2/10

2024

Sri Rao Bahadur A.K.D.DharmaRaja Girls Higher Secondary School
12th Std
Percentage: 74%

2020

Sri Rao Bahadur A.K.D.DharmaRaja Girls Higher Secondary School
10th Std
Percentage: 91%

2018

TECHNICAL SKILLS

- Programming Language: **Java**
- Web Technologies: Frontend Technology **HTML, CSS, JavaScript** Backend Technology **SpringBoot**
- Database: **MySQL**

ACHIEVEMENTS

- Recognized for Academic Achievement with 82% aggregate in college.
